Dear Sir or madam, I find the racial hate speech spewed out by Glenn Beck about our President obscene and disgusting and illegal I do not want my children subjected to it . I believe the FCC has a responsibility to hold cable news channels, which regularly host elected officials at the federal, state and local levels on their shows throughout the day, accountable for programming hate speech to viewers. I would ask that you stongly consider fining Fox News for this offensive broadcasts, as well as take Fox News off "must carry" for basic cable. Thanks for your attention. Patricia Shulman

Some of this host's comments have been offensive about the current president in a racial way. All of American workforce mandatorily undergo training by the human resources on rules of non racial civility and acceptable tolerant speech. Why is it then, a dual standard when it comes to public airing of Glenn Beck show into the American airwaves? The viewers are being given a mixed message by Fox/ FCC about what is right and what is wrong in manners of speech. Mainstream USA does not do it and so should not opiated talk show hosts. The same as when somebody pulls a woman's shirt and exposes her breast on the air. Not what you want your children to see or hear. Glenn Beck does not even get the message how it hurts the feelings of other non-white population- we do not want another generation of school children to grow up and bring back racism again. He caters to the audience that would influence such developments. That is toxic unwelcome propaganda using public airwaves

On Fox & Friends, co-host Gretchen Carlson claimed that through her "own crack research" on the cash for clunkers program, which included spending "a tremendous amount of time on this yesterday finding out information," she determined that in "Minnesota, so far only two of these deals have actually been approved by the government." However, several media outlets have reported that, according to a survey by the Minnesota Automobile Dealers Association, out of 7,500 consumers who participated in the program, approximately 2 percent of transactions have been approved.

My complaint is not directly against the Fox & Friends program, but it happened to be on that program in which I believe an offense occurred. Mr. Glenn Beck, who is also employed by Fox News Channel, appeared on the Fox & Friends program and behaved recklessly by calling the President of the United States of America a racist, and claiming that the President has a "deep-seated hatred for white people." I understand the fundamental importance of First Amendment rights, however these rights must not be abused on a forum as large as Fox News Channel. I feel that Mr. Beck is using not only his own radio and television programming, but other programming of Fox News Channel to put forth irresponsible and divisive language that contributes nothing positive to the national discussion on an issue as sensitive as race relations. I feel that Mr. Beck's behavior on this occasion in particular was inexcusable and is deserving of reprimand by the FCC. Thank you for your time and attention.

On his own show, and on Fox and friends, Glenn Beck has been making racist comments in general and specifically towards our President. I find these statements extremely offensive and inflammatory. If you can fine a network for an exposed breast or inadvertent word, than what can be done with a network promoting racism and hate. There are unhinged, violent racists in this country, and the statements by Beck only exacerbate the anger of these racist elements.

Comments made by Glenn Beck regarding the President of the United States, Barack Obama were inflammatory and un-American. Of President Obama, Beck stated that "over and over again" (has)exposed himself as "a guy who has a deep-seated hatred for white people or the white culture." and "This guy is, I believe, a racist." This amounts to inciting racial hatred and is completely unacceptable in broadcasting. FOX News should not be allowed to get away with broadcasting these sorts of offensive and dangerous comments just because they issued a "disclaimer" indicating Beck's views were not the views of the station. They know exactly what Beck's views are and choose to give him airtime. Please do something about this. The public airwaves should not be used to incite racial hatred.

Glenn Beck makes another outrageous comment, this time calling the President a racist who hates white people. I really feel that it is against the public interest for the FCC to have granted a waiver to allow one company Newscorp to control so much of the NYC area MEDIA outlets. They own the Post, The Wall Street Journal, CH9, CH5, Fox News, and part of CW11. Not good for multiple views.

 - c. Description of Problem:

Brian Kilmeade was beyond offensive in his depicting of American's marrying ethnics and other species. In this day and age, such white supremacy comments have no place, especially on national news programs. He should be required to at least apologize for his wrongful and bigotry statement, preferably fired.

c. Description of Problem:

I am outraged by the comments made by Brian Kilmeade on this show. The remarks made are clearly racist, ignorant, and an amazingly poor example to the world of the perspective of Americans. There need to be immediate ramifications for Mr. Kilmeade for making such remarks on air. To refer to people intermixing with other "species" and "ethnics" is a statement of such ignorance and lack of education that one wonders where FOX News acquires such employees. I, along with many other Americans who appreciate the racial diversity our country possesses would prefer to never see Mr. Kilmeade on air again.

Brian Kilmeade said the reason Americans suffer dementia & other diseases is because "We keep marrying other species and other ethnics... The problem is the Swedes have pure genes. They marry other Swedes, that's the rule. Finns marry other Finns; they have a pure society. In America we marry everybody. We will marry Italians and Irish." As a black man in an interracial relationship, I find this incredibly offensive. This is literally the same type of hate speech the Nazis and other white supremacist groups use to justify their actions against interracial couples. How can you let Fox News & other right-wing media continue to race-bait like this? This is unacceptable

c. Description of Problem:

Fox and Friends blatantly spread lies and slandered the good name of the late Mister Fred Rogers, as i am sure you are aware started and hosted "Mister Rogers' Neighborhood" In this Fox segment, they said that Mister Rogers had created a generation of "worthless, lazy socialists" They continued to say that Mr. Rogers was an "evil" man. They are being extremely biased and go against their motto "fair and balanced" The Fox and friends show goes on to say that Asians do better than Americans because they did not grow up with Mr. Rogers. This is simply not true and this is a logical fallacy. They have shamed the name of Mr. Rogers and have given a biased, unfair, and blatantly untruthful Frankly, Fox News has had a record of unfair and disrespectful news tactics, but in my mind, this slandering of Mr. Rogers has crossed the line. This is the Mr. Rogers I am sure either you or your children grew up with. We cannot let Fox News go unpunished for this.

Fox News promo falsely claimed Obama "pushes a plan" requiring vets to pay for health insurance Summary: Fox News aired a promotion for a broadcast of Hannity that falsely claimed: "[President] Obama pushes a plan that could force vets to pay through the roof for health coverage." In fact, the White House has stated it does not support a provision previously under consideration that would have billed military veterans' private insurance companies for treatment of their combat-related injuries performed at Veterans Administration hospitals.

I am not sure about the date. On this video Glenn Beck claims that there is a secret National Guard unit that is going to round people up and put them in FEMA concentration camps. See the vid here... <http://www.boingboing.net/2009/03/17/foxs-glenn-beck-says.html#comments> Since this program is morning "news" is there any requirement that what they broadcast be... you know... true?

The times and dates are numerous. At any time of the day you can turn on FOXNews and be given questionable and false information masquerading as real news. The network dedicates all of its energy at misinformation and manipulation as means to promote a singular, marginalized belief. They promote a radical right-wing agenda that is poisonous to the ethics of honest journalism.
